

Join the Illinois Team and be involved with building the National Desert Storm and Desert Shield Memorial.

There are many ways for you to be involved with raising funds for this historic project: motorcycle rides, spaghetti dinners, poker nights, raffles, etc.

The memorial was approved by President Obama in 2014 and President Trump authorized an Area 1 location for the Memorial in 2017. The Site was approved in 2018 and the official Site Dedication Ceremony took place in Feb 2019.

The Memorial will be built at the southwest corner of Constitution Avenue and 23rd Street Northwest at the National Mall in Washington D.C.; adjacent to the Lincoln Memorial and the Vietnam Veterans Memorial.
