Dear Post Trustee,

Thank you for taking on the role of Post Trustee. The importance of your role should not be overlooked as your position ensures the Post maintains its fiduciary responsibility to its donors, members, and the community it serves. Lack of Post Trustee oversight could result in a tarnished reputation for your Post and the Veterans of Foreign Wars of the United States, so it is important that you remain knowledgeable.

Whether you are new to the job or have done it before, there is always something you can learn. The Guide for Proper Audit was created to assist you in learning your role.

This guide and other training materials are periodically updated. You can find the latest version, as well as other valuable resources, at www.vfw.org by logging in as a member (Login – top bar, right side), and going to “Member Resources – VFW Training & Support.”

Other important resources include the By-Laws, Manual of Procedure, and Ritual. In particular, the Manual of Procedure, Sec 218 (a) (11) outlines the responsibilities of the Post Trustees. Learn these well. Each Post is required to maintain a current copy of the By-Laws, Manual of Procedure, and Ritual; current are available for purchase from the VFW Store at www.vfwstore.org.

We are here to support you. If you have questions and are unable to find answers with your District or Department, call us at (816) 756-3390. Explain to the operator what you need, and they will transfer you to the correct person to answer your questions.

Thank you for taking on this responsibility. It may be challenging at times, but it can also be very rewarding. We wish you well!

Brian J. Duffy
Adjutant General

Debra L. Anderson
Quartermaster General

P. S. While these manuals have been available for years, this is only the second year of individual mailings. Let us know what you think. Send an email to info@vfw.org, subject line “Feedback on Trustees’ Guide,” with your comments. We’re always looking to improve on what we do.

Introduction

The Post Trustee is an elected auditor – a person tasked to routinely examine accounts and accounting records, compare the charges with the vouchers, verify balance sheets and income items, and state the result in order to ensure that all disbursements are in line with the By-Laws and that all disbursements have been made with prior approval of the Post. Trustees play a vital role in ensuring the funds of the Post are audited and accounted for accordingly.

Post Trustees are primarily the **watchdogs** of the Post funds. They make certain no one has their fingers in the till and the assets of the Post are safeguarded and protected.

Equally important should be the prevention of fraud. Where funds are guarded carelessly or poor record keeping is in place, the Trustee should call attention to this and make every effort to correct it. The Trustees duties extend to all operations of the Post: their audits must cover all activities, including the club rooms, the bar, bingo, or any other source of income or financial transactions.

**Post Trustees**
- Serve a three year term.
- Cannot serve on any committee that handles Post funds.
- Exist to hold all parties handling funds accountable.
- Report all audit findings to the Post membership.

**Trustees Audits MUST**
- Be completed every quarter.
- Extend to every operation of the Post.
- Highlight irregular banking practices.
- Be reported to the Post membership with any found discrepancies.
**Trustees' Scope**

The Trustees do not have any authority over the management of the Post Home, nor is property held in their name in an incorporated Post. They cannot serve on any committee having to do with the handling of Post funds, and cannot therefore serve as members of the House Committee, bingo committee, etc. There is nothing to keep a Trustee from serving as a volunteer worker or in an appointive capacity where Post funds are not handled.

They are elected to three year terms to make certain that they do not all represent one "clique" which might happen to gain control for one year.

**Use of Paid Accountants**

Many Posts employ a private firm of accountants for the purpose of an audit. This is to be encouraged rather than discouraged as an audit by a certified public accountant will usually pay for itself in the improvements which will result. In these cases, the auditor reports to the Trustees and the Trustees make certain that the audit is conducted correctly.

Regardless of the size of the Post, a quarterly audit is mandatory. Failure to conduct one may result in the cancellation of the Post Quartermaster bond and will take away all voting privileges at Conventions. If the Trustees do not function in a proper manner, the Commander may deem it an emergency situation and appoint an auditing committee on their own initiative.

**If You See Something, Say Something!**

The purpose of the audit is twofold. It will reveal a shortage before it gets too large, and is the most successful preventative of fraud. Remember, when conducting an audit, you are an independent reviewer. Review all transactions with suspicion and give no one the benefit of the doubt: you believe only what can be proven.
Report it!

If the books are not kept in an efficient manner; if they cannot be audited because of lack of records; or if you find definite discrepancies, report it to the Post. Don't just sit back and refuse to sign the audit. If the Post fails to act in order to correct deficiencies, immediately inform the Department for further guidance.

Remember - The Trustees do not tell the Post or the Quartermaster how to run their business, they just make certain that everything is on the up-and-up.

A number of dishonest Post Quartermasters tried these angles:
1. Deposited only a portion of the proceeds of special events.
2. Made check stubs payable to someone else and the checks to himself/herself.
3. Secured a personal loan with a Post check.
4. Made up fake bank statements.
5. Staged a fake break-in.
6. Collected membership dues or cash for a raffle but did not turn them in.
7. Cashed Post bonds and pocketed the money.
8. Paid their personal credit cards with the Post’s funds.
9. Paid personal expenses with the Post checking account or credit card.

Some items that should be spot-checked in the audit include:
1. Balance the monthly books to check accuracy.
2. Reconcile the books with the bank statement(s).
3. Count the cash on hand.
4. Actually view and count bonds and other investments.
5. Compare the cancelled checks with:
   a. Check stubs.
   c. Bank statements.
   d. Vouchers and bills.
6. Confirm the bank balance with the bank.
7. Check payments for unusual items against Adjutant minutes to determine authority for payment.
9. Check stubs of membership receipts against total membership as shown by books and by Quartermaster's copy of dues transmittals.
10. Where committees have handled special events, determine just how much money was turned in and check it against entries.
11. Watch very closely any bills paid by cash, or income not covered by receipts.
12. Review all disbursements a Quartermaster makes to himself/herself.
13. Identify General Ledger accounts with substantial changes in value since the last review was performed and investigate.
14. Review payroll to ensure employees are paid the appropriate salary for the actual hours worked.
15. If applicable, review all expenses charged to Post debit/credit cards.

Watch for the following danger signals between audits:

1. Stalling in getting books ready for audit.
2. Slowness in paying bills of the Post.
3. Delay in making deposits.
4. Large amounts carried as "cash on hand".
5. Checks made out to others than the person to whom indebted.
6. Checks made out to others than payee.
7. Complaints by members of non-receipt of the VFW Magazine or other publication.
8. Checks which have not cleared the bank at the time of the audit.
9. Lifestyle changes of the Post Quartermaster
10. An honest person can slip if they need the money badly enough. A sudden air of prosperity is sometimes an indication of dishonesty.
It is up to the Trustees and the Commander to check on the honesty of any person handling Post funds. YOU do the checking and YOU form your conclusions and act accordingly. Do not convey your suspicions to others until you are certain. Do nothing which may hurt the reputation of an innocent person. Do not cover up for anyone.

**Club Funds**

Clubs are specialized businesses and require more specific safeguards than Posts which do not have clubs. Besides the mere question of honesty, problems of management, governmental regulations, state law, etc., must be considered.

Some examples include:

1. Padded inventory of liquor on hand.
2. Bad or fictitious checks carried as cash on hand.
3. Leakage of petty cash.
4. Padded payrolls.
5. Bootlegging on the side.
6. Kickbacks from suppliers.
7. Gambling operations on the side.

A complete audit of club operations and standard items listed under Post audits must be accomplished with the aid of the following records and information:

1. A regular monthly inventory of stock (taken by the House Committee).
2. Dated cash register tapes for each day.
3. A "Day Sheet" on bar sales for each day.
4. Check stubs, cancelled checks and bank statements.
5. Receipts for all bills paid by cash.
6. Records of all stock purchases.
7. Accounting of income from all non-bar sources.
8. Completed federal and state payroll tax forms.
10. All licenses and permits required.
11. All bills and vouchers.
12. A list of unpaid bills.
13. Any other records found to be necessary. In completing the audit:
   a. Compute gross profit by comparing gross sales with cost of merchandise sold. If this varies more than a few percent from month to month, find out why.
   b. Check all payments and income in the same manner as for Post audits.
   c. Check the accuracy of the inventory.
   d. Insist on seeing any bad checks, and then check them out.
   e. Check cash register tape against recorded daily receipts. Don't expect them to always be exactly the same.
   f. Check that proper amounts of state, federal and Social Security withholding taxes are deducted from employees' salaries and that it is turned in on proper forms at the proper time. Don't permit employees to be paid without proper deductions.
   g. Determine that all necessary licenses and permits are taken out.
   h. Check the income from cigarette machines, jukeboxes, etc., with similar receipts from similar businesses. There's a lot of room for leakage here.
   i. Make certain that the Post is adequately insured.
   j. Check with liquor and beer distributors to determine that all current bills are paid.

Remember that a Club Manager is in a bad spot. People may be suspicious of him/her because he/she does handle quite a bit of cash that is not their own. The best favor you can do them is CHECK EVERYTHING and do it regularly. His/her best protection is the general knowledge that he/she is being watched.

On the other hand, there are again a few danger signals to watch for, both from the standpoint of their honesty and the way they are running the club:

1. An exceptionally large inventory may mean that it is padded to account for missing funds. Make sure that what is carried as liquor is liquor.
2. An exceptionally large number of bad checks may mean that they are
fakes to cover a shortage of cash.

3. Cash register tapes that always equal the amount they are supposed to show either means an impossibly accurate bartender or a little juggling to make them come out equal.

4. Watch for large variations in the gross profit each month.

5. Talk to the local police officers to find if they have had complaints of being open after hours, sale of liquor by the bottle, gambling on the premises, etc. They will be the first persons to know of any irregularities.

For the protection of the Post, the Club Manager and other employees handling funds should be bonded. Employee theft or dishonesty insurance may add addition protection; however, it is not a substitute for a Post Quartermaster Bond as required by VFW National By-Laws.

**Trustees’ Report of Audit Form**

It is the responsibility of the Trustees in ensure the Trustees’ Report of Audit form is properly completed. The top of the form identifies the Post, its location and the quarter being audited. Below is an explanation of each block:

**# 1-8 FUNDS:** Listed are those funds most likely to be carried by a VFW Post, District or County Council. Any special funds may be added in the blank spaces. A “fund” is an account which normally has both income and expenditures. In most cases, just about all of your miscellaneous expenditures (community service, youth activities, expenses, etc.) are chargeable to your general fund and most miscellaneous income (proceeds from fund-raising activities, dues, etc.) are credited to your general fund.

**# 9 NET CASH BALANCES AT BEGINNING OF QUARTER:** The figures in this column are obtained from different funds as listed in your ledger. The individual items in this column as well as the total at the bottom of the column should be the same as the ending balances of the previous quarter.
#10 RECEIPTS DURING QUARTER: The figures in this column are obtained by adding the amount shown in your ledger for the three months. This should include items transferred into a fund from another fund during the quarter.

#11 EXPENDITURES DURING QUARTER: The figures in this column are obtained by adding the expenditures for each month. Include items transferred out of another fund during the quarter.

#12 NET CASH BALANCE AT END OF QUARTER: The figures in this column are obtained by adding items 9 & 10 and subtracting items 11.

#13 TOTALS: The figures in this line are obtained by adding the totals of items 9 & 10 and subtracting item 11 – you should arrive at the same by adding item 14.

#14 TOTALS: Total should equal item 9 plus item 10 minus item 11.

#15 OPERATIONS: Answer questions as applicable.

Reviewing the training material titled “Quartermaster Guide to Financial Reporting” located in VFW’s Training and Support section of www.vfw.org can provide valuable insight to the “Uniform System of Post Records/Accounts.”

If you do not understand your duties as a Post Trustee, ask for assistance from other Trustees or see if your District or Department offer specialized training or schools of instruction.
