## **LEGISLATIVE ADVOCACY PROGRAM**

The VFW with our coalition partners were very successful in the first session of the 103rd Illinois General assembly. This year, our grassroots lobbying efforts in Illinois has produced some key pieces of legislation.

Working with State Senator Porfirio and State Representative Kifowit, the VFW led the charge is supporting SB3479, which is Illinois version of the "Claim Shark Bill" This bill has passed both houses in the Illinois General Assembly and is awaiting the Governor's signature. This bill will protect our veterans from the unscrupulous law firms and organizations that are charging excess fees for filing initial VA disability claims.

Much of our grassroots efforts are focused on witness slips throughout the legislative process. When we send out a call for action on state legislation, we ask that you take 2 minutes to complete a witness slip. You don't have to be a VFW member to complete a witness slip. Get your family and friends to also submit witness slips on key veteran bills. The number of witness slips help to solidify our position for or against a bill.

The committee will constantly update the District legislative chair on events in Springfield and Washington. What we need from the district is that they communicate with the post on these issues and conduct training sessions to ensure that each post knows how to submit a witness slip in support of our legislative agenda. we also request that the post commanders introduce themselves to their state senator and state representative. You are the subject matter expert to assist them in veterans Legislation.

This year, we hosted the "Veterans Lobby Day" in Springfield. About 50 veterans from multiple veteran organizations went to the State Capitol and met with the Senators and Representatives to discuss veteran issues and request their support on key veteran legislation. We plan to host "Veterans Lobby Day" again in this upcoming year. Mark your calendar now and plan to join us.
