This program is designed to help Posts gain the maximum benefit. We invite anyone interested to join us for this program during our Council of Administration meeting on Feb 7 (program start is roughly 9:30 AM), and we encourage everyone, at all levels, to attend. To enable maximum participation and access, a Zoom link has been created for members who are unable to attend the event.

LOBBY DAY 2026

This year, the IL AMVETS is organizing and hosting the Illinois Veterans' Lobby Day in Springfield, IL, on February 25, 2026. Again, we invite other IL veteran service organizations to join us in lobbying our state legislators on various veteran issues. Anyone who wishes to participate should plan on being in Springfield that day. The day will start at 8 am with a meeting of all the participants for coffee and donuts at VFW Post 755, 2211 Old Jacksonville Rd, Springfield, IL 62704. This will be an opportunity for everyone to review the day's planned visits and the talking points to be discussed with members of the IL General Assembly. A detailed schedule for the day and visits will be distributed at the meeting. At 9:30, we will break into teams and visit the offices of State Representatives and State Senators to discuss veterans' issues in IL. The day will conclude at approximately 5 pm when we gather at Boone's Saloon, 301 W Edwards St, Springfield, IL (1 block from the State Capitol) for social hour and to discuss the day's results. All the talking points and bill info will be provided, so no lobby experience is necessary. This has been successfully done at the federal level to address veterans' issues, and the state lobby day last year was instrumental in getting some bills signed into law. It is important that our State Legislators understand which veterans' issues we consider important for IL and our members. Please plan to attend and make our IL Veteran's Lobby Day a success.

COMMUNITY ACTIVITIES RECORD BOOK

Community service, as defined by the National Community Service Trust Act, "encompasses any human act serving the common good in the interest of the community." Community service is "a service that is performed for the benefit of the public or its institutions."

Annually, we ask all VFW Posts to submit record books detailing their Community Service Projects. We encourage Posts to gather photos, newspaper clippings, letters, receipts, and other materials to compile a vital record of their community activities. We receive fewer and fewer entries each year for judging; ask for volunteers in your Post to assemble this critical part of your Post's history. Please get in touch with State Headquarters if you have any questions.

When the Community Activity Record Books are submitted for judging, they must have the official entry form attached to the inside front cover. The Official Entry Form is in the Commander's Leadership Manual, and at the end of these orders, your record book must be at State Headquarters by May 1, 2026, for judging on May 4, 2026

ELECTION AND INSTALLATION OF POST OFFICERS

Section 217 of the Constitution, By-Laws and Manual of Procedure, states that prior to the opening of nominations, the Post shall decide which form of election shall be used, unless the Post By-Laws specify the manner of election.

Any nominee shall have the opportunity to decline nomination for the office to which they have been nominated before nominations are closed. A member making the nomination of an absentee for any office shall have presented to the Adjutant, in writing, the consent of the member being nominated prior to the opening of nominations. Nominations of Post Officers shall open in March and remain open until the Post is ready to vote, provided, however, that when a poll system is used, nominations must be closed at the meeting prior to the election to allow the Adjutant to prepare a printed ballot.

Post officers shall be elected in April. Balloting for Post Officers may be conducted by open vote or written secret ballot (handwritten or printed) at a regular Post Meeting, or, if required by Post By-laws or authorized by Post vote prior to the opening of nominations, by a poll system and preprinted ballot.

VOTING AT DISTRICT CONVENTIONS

Each member of a District Convention or District meeting are those persons as defined in Section 404 of the By-Laws, except delegates elected by the Posts, present at a District Convention or meeting shall be entitled to one vote. An individual possessing more than one qualification for membership in the District Convention or meeting shall have no more than one vote. The delegate or delegates of a Post present at a District Convention

or meeting shall be entitled to vote the full delegate strength to which the Post is entitled. Should there be a division among the delegates representing the Post, each delegate present shall cast his pro rata share of the total voting strength of the Post. For the purpose of this Section (Section 421-Voting), a Post Commander shall be considered a delegate.

A roll call vote may be required and entered upon the record at the call of any three officers or delegates representing three different Posts.

This means that District Elections are determined not by the number of individuals present and voting, but by the amount of weighted votes that each Post possesses

Youth Activities

We want to thank all that participated in the Patriot Pen's essay program. This year was a new experience for most of us using Scholar's App. We need to understand and get use to this new program for future use.

Also, thank those that participated in the Teacher of Year program grades K-5, 6-8 and 9th-12th. This year we had very low participation in the program.

Now is the time to review both the programs and discuss with your school board, superintendent of your school district and local school district principles. All information can be found on both vfwil.org and vfw.org.

You can also discuss and set up VFW in the Classroom, which is every November. Veterans play an important role in educating our nation's youth about the founding principles upon which America was founded. As combat veterans, VFW members can provide students with unique perspective about the sacrifices America's service members make to maintain freedom for all of us. More information can be found at vfwil.org and vfw.org.

The VFW has many other opportunities that your post can be involved with Youth Activities in your community. Remember, this is a win-win situation for your Post. Get involved in the youth programs in your community.

A list of things that your post or district can do is on page 89 in your Commanders Manual.

ROTC Award Program Report

Department annually awards a “JROTC Cadet of the Year” at state convention. In an effort to encourage more submissions for this award, a special form has been developed, based on similar forms used by other Departments. This form is now posted on the Department website, with the rest of the ROTC award program documents information. The two-page document (“VFW IL JROTC Cadet of the Year-Nomination”) provides eligibility criteria and a separate form on which to gather the required information. The annual deadline for submissions is April 30; the winner will be released shortly thereafter, in the hopes that the winner can attend convention. It is recommended that this announcement be posted in the February General Orders.

Blood Donor Report Feb 26

Now is the time to start booking your summer blood drives. When looking at booking, here are some things to remember:

- Schools are out, if your local school did blood drives this would be an opportunity to add them to your summer blood drive.
- Look for other organizations that may want to help run a blood drive with you. They can be another VFW or a local organization in your community.
- Summer is time that families like to take vacation, be mindful that some of your repeat donors might be on vacation and cannot donate.
- Look toward your donors and community members to find stories of how blood donations either saved them or someone they know. Tell the story to inspire others to donate.
- If you come across someone that cannot donate, but still wants to help, make them a member of your team. They can make appointments to increase your impact.

As we get closer to elections and possible changes in leadership at the Post level, we need to ensure that the lessons that Post have learned are not forgotten.

- Each Post that participated in blood drives should have a local SOP on how to conduct a blood drive.
- Each Post should look at succession planning. Who will be the next person that will step up to run the blood drive? How do we ensure that they are ready and have the right tools to succeed?
