To: ALL VFW POSTS & DISTRICTS

If you have money ear marked for the National Home for Children that you were going to turn in at the 2020 Department Convention, please forward it to Department Headquarters. We are going to do our "Silver March" for 2020 via mail or electronic funds transfer methods.

We will have an actual Silver March at the August 2020 Council Meeting in Sycamore. We will combine all monies received and donate the lump sum to the National Home for Children as we usually do on our annual trip to Eaton Rapids, Michigan, which unfortunately, has been cancelled for this year.

Yours in comradeship,
