— YOUR DEPARTMENT SERVICE OFFICE —

The Department Veterans Service Committee was established for the distinct purpose of assisting veterans and their dependents with claims before the U.S. Department of Veterans Affairs (VA). With the ever-increasing number of veterans, crises and federal legislation, more and more veterans and dependents require information concerning their rights. To accommodate this obligation, the Department Veterans Service Committee maintains offices at the Chicago VA Regional Office, Marion VA Medical Center and other Field Offices.

The purpose of the Department Service Offices is not to seek special privileges for veterans, but to assure that they receive all benefits that are due them. The VFW has always supported the premise that those who fought for our nation's causes, deserve a balanced and equitable system of benefits. Inquiries pertaining to V.A. benefits should be addressed to the principal Department Service Office in Chicago.

We are fully staffed at the Chicago and Marion offices as well as by part-time Hospital Representatives at all VA Hospitals in Illinois.
